Re: Estrada-Hart Consulting (EHC)

Global Reinsurance Consultants has retained the services Estrada-Hart Consulting and parties retained by them as appropriate, to assist us with regards to negotiations, communications and collections in respect of debts assigned to Global Reinsurance Consultants.

We would advise that we have been satisfied with the services provided to date and we continue to retain the services of Estrada-Hart Consulting. We are pleased to be able to recommend their work as a specialist in the Latin America region.

Yours faithfully,

Peter S Mathews ACII
